Alcan set to start stage 2

Alcan is all set to get started on Stage 2 of its development in Braside.

Alcan got the go-ahead from council at a special meeting Monday night to construct four show homes in the area east of the present development.

Council gave permission on the understanding that the company will be proceeding at its own risk, and that any further development will hinge on the completion of an agreement with the town.

As the contract will be similar in nature to the earlier one, no problem is anticipated in finalizing it.

Town honors visiting students from Quebec

Twenty-four high school students from Joliette, Que., are the Town of St. Albert's guests at a banquet tonight at the Club Moose.

The banquet is the highlight of a student exchange program, which took 24 St. Albert students to Quebec for two weeks recently.

The guests arrived early Thursday morning, and started their time in Western Canada by visiting the Game Farm and Elk Island Park. During Friday, the visitors took a sightseeing tour of Edmonton and saw the Planetarium, the Legislative Buildings and many other places. The trip was sponsored by the City of Edmonton.

Before the departure from

Joliette, the youngsters had expressed wishes to see two things, above all, when they came to Alberta: Jasper Park and a rodeo.

Plans were made up for a trip to the rodeo on Saturday in Winterburn's Tomahawk Park, but due to heavy rains the rodeo was postponed a day. Instead a wieners roast evening was organized in downtown Laurier Park.

As the weather cleared up, however, many of them visited the rodeo during Sunday, when their host families took them there by cars. On Monday the visitors second wish came true, as they boarded a bus for Jasper, where they stayed until late Tuesday afternoon.

Tomorrow, Thursday, is

planned for individual wishes, shopping or whatever the students and their hosts might find suitable.

On Friday the youngsters go waterskiing and swimming in Lac St. Anne and then the Students Unions at Paul Kane and St. Albert High will sponsor an evening with pizza and entertainment in the City.

The last event on the program is a big barbecue party in the Lions Park, sponsored by the Lions Club. On Sunday the visitors leave for home.

During their time in St. Albert, the guests have free swim passes to the pool, as well as many opportunities to do other sports like tennis, horse back riding etc.

During the banquet tonight, sponsored by the Town of St. Albert, the guests will be greeted with cheers by Mayor Ray Gibbon, chairman of the evening, and Lt.-Gov. J. Grant MacEwan, guest of honor, and the town council plus representatives from many organizations of the town.

Chaperones during the students stay here have been Mr. and Mrs. Andre Ebacher; Mr. Ebacher is the vice-president of the high school in Joliette.

A committee of nine have worked on the exchange in St. Albert. On it have been Don LaBelle of the Public School Board; Dr. William Cuts of the Protestant Separate School Board; Mr. Glenn and Lorne Wood, teachers at St. Albert High; Jack Bauman, a teacher at Paul Kane; Madeline Raboud, president of the Students Union at St. Albert High, and Brian O'Toole, her counterpart at Paul Kane; and Marie Bergwin and Rod Kyle,

Gazette home delivery price goes up Sept. 3

The price for home delivery of The Gazette will increase with the Sept. 3 issue.

Publisher W. E. Jamison, in announcing the increase, said it was necessitated because of higher costs for production.

The Gazette, now 25 cents a month, under the new price structure will sell for 10 cents a week with collections being made weekly. Of the 10 cents, five will go to The Gazette and five to the carrier boy.

The Gazette recently increased its news-stand sale price from 10 cents to 15. It was the first increase in price in 10 years.

Exchange student reports on trip

Lindsay Kenny

On the 2nd of August, 24 students from St. Albert arrived in Joliette, Que., where they were received at a reception held in their honor at Barthélemy - Joliette School.

They were welcomed by the school board, members of the press, parents and students with whom they were to stay for the next nine days.

These days were filled with many interesting and educational events, among which were a tour of the town and a visit to an archery club. They saw the Dornin Falls, spent some time at the farm of Gage Gregoire who has 300 dairy cattle. They visited a sugar cane, and had explained to

them the essentials of making maple sap into syrup. They also toured the tobacco farm of Jean Paul Corriveau, where they were entertained at lunch.

One evening they were the guests at a dinner given by the school board at the Kambo Restaurant where they received souvenirs and literature of their stay.

Two days were spent in Montreal, one visiting Man and His World, and the other touring the old city, seeing Notre Dame de Bon Secours and the St. Lawrence Seaway.

Another day was spent in Quebec City. Here the students toured the legislative buildings and after having lunch there, went to the Citadel.

Letters to the Editor

Dear Sir:

This town is indeed to be congratulated on its recent recognition by the Alberta Safety Council for having had a fatality-free year in 1968.

As Councillor Bakker said, "An inch can often be the difference between injury and death." His other reaction, according to your July 30 report was that the award came about more as a result of good luck than good management. How true. Perhaps he had in mind what his Public Works Committee did to the south end of Bishop Street. At that site a possible hazard to pedestrians was eliminated in June of this year by creating five or six traffic hazards. Here luck prevails over management.

Many truckers and motorists seem to find the easiest way through this planning debacle is to ignore the few signs there are and trust to luck. How else explain the lack of accidents where no one seems to know which way the road goes.

David R. Geddes.

Dear Sir:

I feel it is high time that a few facts about the excessive amount of vandalism in Lions Park be made known.

This park is provided by the St. Albert Lions Club for the use and enjoyment of the people of St. Albert. The money required to provide equipment for the park, and

for the upkeep of this equipment comes from monies raised through various Lions Club projects - in other words from the public.

The Lions themselves have spent many hundreds, even thousands of hours, of volunteer physical labor in the building upkeep and maintenance of the park.

In the past few weeks a tremendous amount of willful damage has been done.

1. Drinking fountain has been broken off three times.
2. One side of the cook shelter has been kicked out.
3. The electrical service

to the cook shack has been torn out.

4. Picnic tables have been broken apart and burned.

5. Rubber tires in the miniature golf course have been slashed.

6. Beams have been torn out of the cook shack.

7. Fence posts have been removed.

This is only a partial list. I am prompted to ask - how long can the Lions be expected to spend money and volunteer labor, when everything they are working for is being damaged in such a manner?

Surely something can be done to stop this vandalism!

Rock Holman,

President,

Antelope hunting cancelled

Hunters who didn't get their antelope last season definitely aren't going to get them this year.

The Fish and Wildlife Branch of the provincial government has cancelled the 1969 antelope season.

Officials of the branch said that the unrelenting cold of the past winter cut the total Antelope herd from 9,000 to about 4,500.

About 1,000 animals were taken during the 1968 hunting season.

Some trained little for gruelling meet

If you're planning to phone Bernie Luttmer, supervisor at the Grandin Pool, just dial Cloud 9.

Bernie's been up there ever since his St. Albert swimming team wrapped up first place in the Central Alberta regional meet at the University of Alberta pool at the weekend.

Actually, when you check the scorecards, you can't really blame him. He got fine performances out

of young athletes far less experienced than many they were competing against.

Mike Sandomirsky, 8, who won himself a shot at two provincial titles later this month and who picked up 17 points in four events in the regional meet, has only been training for four weeks.

Another eight-year-old, Lydia Kehoe, trained for only two weeks yet managed to record 16 points, tops among the St. Albert girls.

Denise Savio, also 8, only managed a fifth in the nine- and 10-year-old girls' butterfly officially but she came off a summer of sickness to get that.

"You're going to hear a lot more about that girl," he said. "She had her tonsils out and has been sick most of the summer. She only got in two weeks of training for this meet."

"She actually had a first, recording the best time in the girls' 50 breaststroke. But was disqualified for taking an extra arm stroke under the water. Those things happen when you haven't had time to train. "Next year she could win four events."

Local swimmers win trip to provincials

St. Albert Swimming Club will be well represented in the provincial championships to be held on the Labor Day weekend.

Nine locals will be competing in individual events and there will also be three relay teams chasing provincial titles.

The St. Albert swimmers won the right to compete in the provincials by finishing either first or second in the Central Alberta Regional Summer Club Meet at the University of Alberta Pool at the weekend.

Bill Clark, Richard Fowler and Tom Kehoe will be eligible to compete in three events in the provincials and Mike Sandomirsky and Barbara McCaffery will be able to compete in two.

Joanne Bellward, Cathy Fowler, Rod Wiltshire and Lydia Kehoe will compete in single events.

Richard Fowler, Wiltshire, Ron Sander and Brandon McCaffery will swim on the 10 and under boys' 100-yard medley relay team.

The 11- and 12-year-old boys' 100-yard freestyle relay team will have Tom Kehoe, Casey Kelly, Michel Garipey and Michael St. Clair.

Theresa Ball, Sandy Willis, Cathy Fowler and Donna Mae Sander round out the 11 and 12-year-old girls' 100-yard freestyle team.

MENS SOCCER

The Bruins' next game will be against the Kickers at Kinsmen Park on Thursday, Aug. 21, at 6:30 p.m. The two games after that will be at the home grounds at Paul Kane against Strathmore Rovers on Sunday, Aug. 24, and against 1st DFC on Tuesday, Aug. 26.

The St. Albert club was organized only last summer, but at the meet was competing against some that had been in operation for 10 years.

Bernie feels, however, that with the early training the youngsters are receiving from Betty Ann Kennedy and a few more years experience, St. Albert could become a dominant power in Central Alberta swimming.

He almost cries when he thinks of the points the local team lost in disqualifications, 29 to be exact.

Fourteen of these came in the 10 and under boys' freestyle 100 relay in which St. Albert finished a good half-length ahead. Judges declar-

ed, however, that one St. Albert swimmer had left a moment too soon.

St. Albert couldn't enter the 13 and 14 girls' 200 freestyle relay as they only had three girls. Letitia Sopchuk, one of the better

swimmers around in this age group, was away on holidays.

Letitia did her bit for team morale, however, sending a wire saying "go, team, go."

They certainly did.

Oilers one win away from playoff victory

St. Albert Willowbrook Oilers will be after the game tonight that will give them victory in the Oilfield Baseball League semi-finals.

Oilers defeated Calmar Angels 6-4 last Wednesday and now only need a victory over Winterburn Tomahawks to win the right to advance into the final against Leduc Oilers, who won the bye by finishing first in the regular schedule.

Oilers will be putting a little extra into the game tonight. They're carrying a grade on Tuesday.

Oilers travelled to Win-

terburn all ready to do battle but found only themselves at the field. Tomahawks had thought the game was scheduled for Wednesday.

Oilers took advantage of the empty field to practice, but they would rather have been venting their anger on the Tomahawks.

League President Bob Murphy rescheduled the game for tonight in Winterburn.

Oilers, Tomahawks and Angels are involved in a round-robin playoff, each playing two games against

the other. Oilers have beaten Angels twice but have yet to play Winterburn. Tomahawks lost to Angels in their only start.

Angels jumped on the Oilers fast last Wednesday night in Calmar but they didn't jump hard enough to get the job done.

Don Chimera drove Oilers' starter Bert Kenney from the mound with a three-run homer in the first inning, but it was the last good shot the Angels were to get.

Fred Resler, who had gained credit for the opening

win in the semi-final against Calmar, came on in relief and held Angels to one run the rest of the way.

Oilers trailed 4-3 after three innings, but won it in the sixth, scoring three runs when Angels' starter Todd Hannas momentarily lost his control.

Hannas issued two walks, then served up a fat one to Resler, whose single scored one run. Lou Martineau walked, then Larry Mitchell singled home the final two runs.

Mitchell had set up the Oilers' first run in the first inning with a triple. He

scored on Arnie Bailey's single. Resler and Martineau's runs-producing double. Chester Cunningham had four hits, all singles, in five trips for St. Albert.

Pirates take lead in bantam playoffs

Pirates took a one-game lead over Senators in the best-of-five St. Albert Fire Department Bantam Baseball League semi-final, with a 10-5 win Monday night.

Second game in the series was to be played Wednesday night with a third, if necessary, to go Friday night.

Pirates got an early jump, scoring six runs over the

first two innings as Senators' starting pitcher Gordie Grant ran into a streak of wildness.

They ran the count to 10-2 before Senators came up with a pair of runs in the fourth and another in the fifth.

Pirates had four runs in and were still batting in the sixth inning when the game was called because of darkness.

Mike McNeely, making only his second start of the year, went all the way for the Pirates to get the win. He got sterling defensive support from Dale Reinbolt at second base and Greg McKee in left field, who made two fine running catches. Bernie Douzich, Jerold Langvin, McKee, McNeely, Michel Bourgeois and Roger Poultot all reached base safely three times for the Pirates. Poultot came in as a replacement for Timmy O'Neill, who suffered a broken leg Sunday.

Gary Deane relieved Grant in the second inning and lasted until the sixth, when Terry Kiser came on. Grant was charged with the loss.

Senators just didn't have on their hitting socks this night, Gary Larsen's double being their only display of power.

RECREATION Hi-Lites

It is time to begin planning for fall and winter programs and organizations which qualify for accommodation under the Joint-Use Agreement between the town and the two school districts are asked to send their applications to the parks and recreation department as soon

as possible, if this has not already been done.

SWIMMING

The season of swimming lessons at present being run at the pool is the last for this season. There has been very good response from our local young people to the water safety senior leader and in-

structor's course which began this week.

There will be another opportunity to swim a mile on Sunday evening, Aug. 24 at 9 p.m. Anyone intending to try for a Mile Swim Award should register at the pool. The adult swimming session has been re-scheduled

to run from 9 - 10:30 p.m. with the exception of Wednesday, Aug. 20 when it will be restricted to 9 - 10 p.m. for that evening only.

BOYS' SOCCER

The Hercules Sports Association soccer program will be resuming as the holidays draw to a close and several teams have been out practising already. The first games were scheduled for Wednesday, Aug. 20, when the St.

Albert peewees were to play an exhibition game against Killarney at Grosvenor Park at 6 p.m. and the Atoms were to play Delwood in a league game at Delwood at the same time.

SOFTBALL

Softball for boys between the ages of 9 and 12 will be introduced if there is sufficient response. This would be for the boys who are not already on a team and any-

one interested in playing or coaching - should phone Del Larsen at 599-7415.

MEN'S SOCCER

In their game against Wanderers on Aug. 13, the St. Albert Bruins lost by a score of 3-1. Fred Austin scored the Bruins' goal. On Aug. 14 the local team played Ben Fica and won 4-1. John Curtis, Gordon Beckwith, Roger Marsh and Fred Austin scored a goal each for the local team.

A child who has not attained the full age of seven years will have been assessed during the one-week orientation program held in June, or during one week in September for those who did not attend the orientation program. On the basis of this assessment, and after consultation with the teacher and principal, a parent may wish to postpone the registration of the child until September, 1970.

Pre-Registration of New High School Students

New high school students and students whose course standings have changed because of summer courses should report to the counsellors at Paul Kane High School on August 25-29. All students are to report to classes on Tuesday, September 2 at 9:00 a.m. at which time they should check the "Class Lists" posted on the Bulletin Board for their homeroom allocation, Student Handbooks, Timetables, Textbook Lists and Textbooks will be distributed at that time.

Parents of senior high school students who have questions regarding the program of registration are requested to call Paul Kane Office (599-6981) between August 25 and August 29, when staff will be available to answer inquiries.

Text Book Rental and Fees

The District operates a textbook rental plan which parents may or may not choose to enter. A considerable saving over purchase prices can be realized through this plan.

RENTAL TEXTBOOKS WILL BE ISSUED ONLY ON PRESENTATION OF PROOF OF PAYMENT OF TEXT BOOK RENTAL FEES, INCLUDING ANY ARREARS.

Parents who have not paid for damaged books or who have not replaced lost books from the previous school term will not be permitted to use the textbook rental plan until settlement is made. Post-dated cheques are not acceptable. Parents who are not able to make payment of Textbook Rental Fees on Registration Day should seek an arrangement with the District Office before August 29, 1969. A Voucher may then be issued by the District Office to be presented to the school at the time of registration. No rental fees will be accepted at the schools after 12:00 noon on September 2nd, as the staff will be involved during the afternoon in sign meetings, organizing and preparing for regular classes the next day. It is preferable that each child pay his or her book rental fees separately. The Fee Schedule is as follows:

Grades 1, 2, 3	\$ 5.50
Grades 4, 5, 6	\$ 7.50
Grades 7, 8, 9	\$10.50
Grades 10, 11, 12	\$15.00

(NOTE: All high school students will be charged an additional \$4.00 to cover the costs of an identification card, Students' Union Membership and Yearbook, to be paid at the time of registration. A refund of \$2.50 on the Yearbook may be requested before October 31st).

Non Resident Tuition Fees

Non-resident fees have yet to be set for the 1969-70 school year for those students living outside the official Town of St. Albert boundaries. Notification will be given once the fees are set. Families living in the Sturgeon M.D. whose children will be attending schools in this District should confirm arrangements with the Divisional Office in Mornville before registration.

Colette St. Jean Roland Bilodeau wed

St. Emile's Church was the setting of a pretty afternoon wedding when Colette St. Jean, daughter of Mr. and Mrs. Raoul St. Jean, was united in marriage with Roland Bilodeau, son of Mr. and Mrs. Claude Bilodeau from St. Albert.

Father Pigeon celebrated the mass before an altar banked with baskets of summer flowers.

Entering the church at the arm of her father, the lovely bride wore a princess line dress of peau de sole with a detachable train. Her jewelry was a cultured pearl and earring set, a gift from the groom.

Her chapel veil was held in place by a pearl crown. She carried a bouquet of red roses accented with white lilies of the valley. Bridesmaids Denise St. Jean and Maureen Guest wore identical pale blue sheer nylon over satin floor length gowns with white

gloves and slippers. Their coiffures were adorned with matching blue baby roses. They carried cascades of tinted blue mums and white lilies of the valley.

Best men were Maurice Parent and Leo Bilodeau, brother of the groom. Ushers were Gordon Carlson, the bride's brother-in-law, and Laurier Brisson, cousin of the groom.

A banquet at the Legal Community Centre followed with 175 guests. Maurice St. Jean, uncle of the bride, was master of ceremonies. The toast to the bride was proposed by Antoine Lestari from Slave Lake.

Some 200 friends and relatives enjoyed the evening of dancing and refreshments. For her honeymoon to Banff and Jasper the bride donned a white dress and coat ensemble with matching accessories.

The happy couple will reside at Legal.

Sylvia St. Martin of Legal showered

LEGAL - Sylvia St. Martin was guest of honor at a miscellaneous bridal shower held at the Legal Community Hall, with approximately 80 guests present.

Hostesses were Mrs. Mickey Stapleton and Jeanne Varga, friends of the bride-to-be.

The "Marines" sang as the bride entered with her mothers, Mrs. Ben St. Martin, followed by her future mother-in-law, Mrs. Clifford Gossell and the matrons of honor, Lynn Murphy, a close friend from Saskatchewan, Rachel St. Martin, sister of the bride, later joined

the group being one of the bridesmaids.

A game was played in which Mrs. Gossell was the winner. Mrs. Kathleen St. Martin won the door prize.

Miss St. Martin received many lovely gifts and thanked her thoughtful hostesses and guests.

Special guests were Mrs. Albert Como, and granddaughter from the Chateau Sturgeon of Legal and Mrs. Albert St. Arnauld from Gibbons, Sylvia's godmother.

Miss Sylvia St. Martin will become the bride of Kenneth Gossell of Edmonton on Sept. 6th.

Aid in any emergency must be swift and sure to be effective. As you know, our wheat farmers face a critical situation. Countries normally importing our wheat to supplement their crops now have surpluses of their own. Because a crisis in our wheat economy is of national concern, we have taken swift action to render what aid we can. Our trucks are rushing to our stores loaded with wheat products. We have the right prices to swiftly move these products off our shelves to make room for more. Won't you help? Take advantage of these low prices to serve the large variety of wheat products to your family often. You'll be serving good eating, good nutrition at savings.

Pick what you want out of 1,000 sounds

The sound is multiple, total. It comes at you from everywhere.

For the stereo buff, it's the living end. For the unfatigued, it is mass confusion.

This, man, is the music room at the rear of Harold's Stereo, the shop at 10720-124th St. that previously went under the name of Harold's TV and Appliances.

The room is ordinary enough when you enter, carpet on the floor, a few drapes, the walls lined with the regular tools of the trade, record changers, amplifiers and speakers.

The difference, however, comes when owner Harold Dingley starts playing combinations on a little board that has 24 push buttons.

The board allows Harold to play eight different amplifiers and eight different sets of speakers with eight different record changers.

When you figure out the mathematics of this, you come up with more than 1,000 combinations of sound.

"The set-up enables people to hear within a matter of minutes many varieties of sound," Harold says. "This has to be done very carefully, however, because with so many sounds coming at you, it is very easy to get confused."

He turned on a set of psychedelic lights, something not designed to sort out an added brain.

"I don't know who would buy them," he says. "I can't stand them myself for very long. But people remember them."

Harold imported the new concept in music rooms from

Vancouver, the place he says Edmonton usually follows by about a year. He believes he is the first to bring this idea to the Prairies.

Instant is probably the key word in the set-up. Customers may have their eye on a certain record changer and they can try it out with various combinations of amplifiers and speakers in a matter of minutes. Without the automatic changeover, wires would have to be changed to hook up each new combination desired.

"Which results," Harold says, "in people not remembering what a certain sound was like after about two changes. This way they can try three or four and instantly go back and compare to the first one."

Harold is a great believer in the system, and the sound bears him out. Some speakers are just meant to go with some amplifiers, but in many cases it is individual taste. This is what the music room is all about.

Well-known examiner judges local dancers

Miss Ivy Baker, a fellow and examiner of the Imperial Ballet and Modern Dance Branches of the Imperial Society of Teachers of Dancing, London, England, has been visiting St. Albert School of Dancing this week to conduct examinations.

The ISTD has world-wide membership of 10,000 and examiners visiting Canada have taken the opportunity of lecturing to teachers throughout the country and the USA.

Miss Baker has also taught in Toronto and Calgary on this tour, and Mrs. Alma Hughes and Mrs. Gladys Smith, principals of the St. Albert School of Dancing, have been studying the new professional elementary modern dance syllabus, and the modern dance tests and grades for children.

Tap grades are shortly to be arranged by the ISTD to be used in conjunction with the medal tests which have

proven so popular in England.

Miss Baker has taught in the largest ballet schools in England for several years, and is also an adjudicator of the All England Sunshine Dancing Company, having recently been promoted to adjudicate the finals in London.

Miss Baker was extremely impressed by the standard of the teaching in St. Albert, and if the demand for ISTD children and professional examinations increases at its present rate throughout Canada, the St. Albert teachers are hopeful that the ISTD will agree to regular official visits of examiners.

Oilers lose first game in tourney

St. Albert Willowbrook Oilers found themselves on the outside looking in early in the Leduc baseball tournament last weekend.

Oilers bowed 4-3 in their opening game as Edmonton Outlaws pushed across the winning run in the bottom of the ninth inning.

The game opened as if it would be a high-scoring affair as Oilers got three runs in the second inning and Outlaws got two. But after the Outlaws tied it in the fourth, that was it for runs until the ninth.

Fred Rasler worked seven innings for Oilers, being lifted for a pinch hitter in the eighth. Larry Ferrell, recruited from Morinville, pitched the eighth and ninth innings and was tagged with the loss.

Arnie Bailey started the Oilers' big inning, leading off with a double. Fred Schoenrock singled, Richie Perrault and Don Koenig each doubled and Lou Martineau singled to produce the three runs.

Oilers had base runners in every inning but the fifth

Dodgers finish 1st in bantam baseball

Dodgers finished in first place as the St. Albert Fire Department's Bantam Baseball League wound up its regular schedule last week.

Dodgers, coached by Wilf Reinhold, nosed out the Senators in the battle for top spot on the strength of a 5-4 win over the Pirates in the final league game. Earlier in the week they had drawn into a tie for first by knocking off the Senators 5-4.

Senators and Pirates are meeting in a best-of-three semi-final this week with the winner advancing to the final against the Dodgers next week.

The final game was a battle all the way with the Dodgers scoring the winning run in the bottom of the seventh. With one out and the bases loaded, Cyril Binette hit a high fly. Second baseman Dale Reinbolt made a fine lunging grab for the out,

UCF chairman

This year's chairman of the public service division of the United Community Fund 1969 Campaign is Mr. W. G. (Red) Urquhart, staff supervisor, labor relations, safety and occupational health of Alberta Government Employees.

Mr. Urquhart's association with the UCF began in 1963 when for one year he was a loaned executive with the Calgary UCF. Elected chairman of the AGT employees and co-ordinating chairman for the AGT employees throughout the Province from 1965 to 1968, he was then appointed loaned executive to the public employees division of the UCF.

Prior to joining AGT as a line and station installer in 1947, Mr. Urquhart served five years aboard Corvettes of the Royal Canadian Navy and saw action in the North Atlantic Ocean. Since joining AGT, he has had extensive experience as a union representative. Apart from his association with the UCF, he is the secretary of the Personnel Association of Edmonton, a member of the Alberta Utilities Association and Industrial Relations Research Association.

Born in Cereal and educated in Oids, he has spent most of his life in Calgary. For the past four years, is married and has two daughters. The eldest is about to commence her third year at the University of Alberta.

Age 46, his interests are outdoors, and he is a member of the United Church. Mrs. R. H. (Gretchen) Angus has been named chairman of the residential division of the 1969 United Community Fund campaign.

Mrs. Angus was born in Nelson, B.C., and moved to Victoria at an early age. She is a graduate nurse and was

but couldn't recover in time to stop brother Randy from scampering home with the winning run.

Ernie Mitchell got the win for Dodgers, relieving Doug MacKenzie in the fourth inning. Mike McNeely went all the way for the Pirates, a fine effort in his first pitching assignment of the year.

Sandy Millroy pitched six innings of no-hit ball to help Pirates to an 8-5 victory over the Senators on Wednesday. The game was called in the bottom of the sixth because of darkness. Senators never hit a ball out of the infield. Millroy struck out five and walked two. Pirates took an early 2-0 lead but trailed 4-2 after the second as three throwing errors set up four runs for the Senators.

Bernie Douzleach came up with the big blow for the Pirates, doubling in two runs in the sixth to start Pirates off to a four-run inning and an 8-4 lead.

Ernie Mitchell went all the way for the Dodgers victory over the Senators on Tuesday.

Chris Krupa, who was re-

placed by Gordie Grant in the third inning, was charged with the loss. Dodgers took a 5-2 lead after three innings and were never headed.

Gibbons 4-H news

Two members of the Gibbons 4-H Garden Club had a very successful three days at provincial competitions at Olds Agricultural and Vocational College recently.

Sharon Visscher and Barbara Paradis represented the club this year.

Barb is now in Manitoba with 31 other 4-H'ers for 12 days of touring and living with host families in the Shoal Lake area.

Sharon leaves in November for a week in Toronto for the Royal Winter Fair. Fourteen Alberta 4-H'ers were chosen for this trip.

While they were away three other members of the club Andy Allison, Edith Paradis, and Linda Lamoureux acted as hosts for three 4-H'ers from Wisconsin. A total of 42 4-H'ers were guests of the County of Sturgeon for four days. They also stayed with families in Strathcona and Stony Plain during their Canadian tour.

On Saturday the ninth the club held a very worthwhile bottle-drive. We have not sent in the bottles yet. If anyone is interested in ridding themselves of bottles and adding the 4-H club, they could contact Mrs. P. Visscher before the end of August. The 4-H members will gladly collect them.

A garden tour was held on the 11th, with 11 members showing lovely gardens. The judges for the day were Mr. Doug Blenart, Regional 4-H specialist, and Norma Rigney, 4-H summer staff.

Achievement Day, marking the end of a good year, will be held Aug. 25 in the Gibbons Community Hall. Everyone is invited to attend the program which starts at 8 p.m.

Walter Safety says,

An end to dishwashing

Jim Ross, 14, of 12316 141st St., took his hands out of the dishwasher last week when he won the Westinghouse dishwasher offered by Westmount Shoppers Park businessmen at the shopping centre's 14th birthday. Jim, who will enter Grade 10 at Archbishop MacDonald High School this fall, figured it had to be his lucky day. Earlier he had obtained his Grade 9 marks and found them liberally sprinkled with honors. Jim guessed the exact weight of the cake, 306 pounds, eight ounces. His mother, Mrs. Paul Ross, and his sister were present when Jim received the gift from Michael Morris, Westmount manager.
